GREAT INDUCEMENTS TO SUBSCRIBE!
COST REDUCED 50 to 75 per Cent!

L. Scott & Co., New York, continue to publish the following leading British Periodicals, viz—

1. The London Quarterly [Conservative.]
2. The Edinburgh Review [Whig.]
3. The North British Review [Free Church.]
4. The Westminster Review [Liberal.]
5. Blackwood's Edinburgh Magazine [Tory.]

These periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but politics forms only one feature of their character. As Organs of the most profound writers on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

Early Copies.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

WHOLESALE DEALERS

IN TEAS ONLY, PHILADELPHIA.

The new crop of Tea is now arriving, and selling much below the high rates of the past year; the present therefore opens with the pleasing prospect of our again being able to furnish as good an article for the price, as formerly. We also take pleasure in announcing that we have concluded to extend the time on small bills, heretofore sold on two and three months, to three and four months credit.

Thousands of Grocers and general Storekeepers now sell Tea in our Metallic Packages, and the number is constantly increasing, notwithstanding the strong prejudice that once existed against teas put up in this convenient form. This unexampled success is the legitimate result of a business uniformly done, for a long term of years upon just and fair principles, and especially with an eye to that wholesome one of "SMALL PROFITS AND QUICK RETURNS."

Teas being a perishable article, dealers are recommended to order small and frequent bills.

Those who still prefer the old way, are furnished with teas in the original half-chests, at three cents per lb. less than in Metallic Packages.

C. D. Harbutt is no longer in our employ as Travelling Agent—his place being supplied by another. JENKINS & CO.

MORE TO BE ADIRED THAN THE RICHEST DIADEM

EVER

Worn by Kings or Emperors

WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament God Himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shrivelled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg:

New York, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwilyddet."
Welsh Newspaper office, 13, Nassau st.,
April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CARDEW.
New York, July 25, 1857.

Dr. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely. J. G. KILBY.

Dr. Wood—Two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color (black). Now it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all. J. D. HOES.

Chicago, Ill., May 1, 1857.
The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for \$3.

IMPORTANT TO FARMERS

A LIBERAL portion of THE INDIANA AMERICAN is devoted every week to original and selected Agricultural articles under the special supervision of Dr. Ray, the editor of THE INDIANA FARMER, thus making THE AMERICAN

A WEEKLY AGRICULTURAL PAPER, which, with its unsurpassed family department, news department, and political department, constitutes one of the most desirable papers in Indiana, even to those who do not approve its political views. These are discussed with fairness, regardless of party influences, and wholly independent of party dictation. The AMERICAN opposes mean banks, mean whisky, mean men, and who ever favors them.
